The immediate question from OCFO was whether we would be setting targets for each of the measures in FY18 and FY19. They asked for our reply by Friday.

Bill –

After reviewing my earlier correspondence with Will and giving this some additional thought, I've provided you some comments below in red to consider.

Let me know if you have any questions. Also, when is this due to OCFO?

Thanks,
Brittany

Subject: setting targets for deregulatory measures

Brittany,

I have an incoming question from an OCFO staff person about whether we are setting targets for our deregulatory measures. You'll recall that OMB sent around guidance in April about establishing these measures, and apparently that guidance includes a directive to set targets for the measures as well.

The measures are:

1. Number of EO 13771 deregulatory actions recommended by the Regulatory Reform Task Force to the Administrator (I suggest **Deliberative Process / Ex. 5**)

Deliberative Process / Ex. 5

2. Number of EO 13771 deregulatory actions issued that address recommendations by the Regulatory Reform Task Force **Deliberative Process / Ex. 5**

Deliberative Process / Ex. 5

3. Number of EO 13771 regulatory actions issued **Deliberative Process / Ex. 5**
4. Number of EO 13771 deregulatory actions issued **Deliberative Process / Ex. 5**
5. Total incremental cost of all EO 13771 regulatory and deregulatory actions (I agree with **Deliberative Process / Ex. 5**)

Deliberative Process / Ex. 5

Please let me know how you would like me to respond to OCFO. Thank you.

Bill
